

# 2025 Summary of Benefits

Nebraska

**Wellcare Dual Access Open (PPO D-SNP)**

H1395 | 001

**We know how important it is to have a health plan you can count on.**

This is a summary of drug and health services covered by Wellcare Dual Access Open (PPO D-SNP) from January 1, 2025 to December 31, 2025.

This booklet will provide you with a summary of what we cover and the cost-sharing responsibilities. It does not list every service, limitation, or exclusion. A complete list of services can be found in the plan's Evidence of Coverage (EOC). You can find the Evidence of Coverage on our website at [www.wellcare.com/ne](http://www.wellcare.com/ne). To request a copy, please call 1-800-225-8017 (TTY 711): Hours are Monday - Sunday, 8 am - 8 pm (all time zones).

**Who can join?**

To enroll in this plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B and live in our service area. Members must continue to pay their Medicare Part B premium if not otherwise paid for under Nebraska Medicaid or by another third party. To be eligible, you must also be a United States citizen or lawfully present in the United States. You must be eligible for Medicare and Full Medicaid Benefits cost sharing assistance under Medicaid.

We cover the services and items in this document and the Evidence of Coverage if they are medically necessary.

Our service area includes these counties in Nebraska: Adams, Antelope, Banner, Blaine, Boone, Boyd, Buffalo, Burt, Butler, Cass, Cedar, Clay, Colfax, Cuming, Custer, Dawson, Dixon, Dodge, Douglas, Fillmore, Franklin, Frontier, Furnas, Gage, Garfield, Gosper, Greeley, Hall, Hamilton, Harlan, Hayes, Hitchcock, Holt, Howard, Jefferson, Johnson, Kearney, Keith, Knox, Lancaster, Lincoln, Logan, Madison, Merrick, Nance, Nemaha, Otoe, Pawnee, Perkins, Phelps, Pierce, Polk, Saline, Sarpy, Saunders, Scotts Bluff, Seward, Sherman, Stanton, Thayer, Valley, Washington, Wayne, Webster, Wheeler, and York.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at [www.medicare.gov](http://www.medicare.gov) or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

**Preferred Provider Organizations (PPOs)** You'll enjoy the freedom and flexibility to access your health care where you want it and when you want it. You may seek care from any Medicare provider in the country who agrees to see you as a Medicare member, but you'll generally pay less when you use contracted providers in our network. Out-of-network providers may choose not to bill our plan and may ask you to pay for services up front. If this happens, you can fill out a claim form and submit it to us with a copy of the bill and any documentation you have about payments you have made. Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our customer service number or see your

Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services. PPO plans do not require a prior authorization or referral for out-of-network services.

Our plan also includes prescription drug coverage and access to our large network of pharmacies. Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies. Our plan uses a formulary. Our drug plans are designed specifically for Medicare beneficiaries and include a comprehensive selection of affordable generic and brand name drugs.

**Which doctors, hospitals and pharmacies can I use?** Wellcare Dual Access Open (PPO D-SNP) has a network of doctors, hospitals, pharmacies, and other providers. You may use doctors, hospitals and other providers that are not in our network, usually for a higher copay or coinsurance. You must generally use our network pharmacies for prescriptions covered under Part D drug benefit.

You can save money by using our preferred mail-order pharmacy and by using providers in the plan's network. You can see our plan's provider and pharmacy directory at [www.2025wellcaredirectories.com](http://www.2025wellcaredirectories.com). For plans with prescription drug coverage, our complete plan Formulary (list of Part D prescription drugs) is on our website at [www.wellcare.com/NE](http://www.wellcare.com/NE).

We must provide information in a way that works for you (in languages other than English, in audio, in braille, in large print, or other alternate formats, etc.). For more information, or to request information in an alternate format, please call us at 1-800-225-8017 (TTY users should call 711): Hours are Monday - Sunday, 8 am - 8 pm (all time zones).

## To be eligible

This plan is available to anyone who has both Medical Assistance from the State and Medicare.

To enroll in this plan you must be eligible for the following Medicare Savings Program:

**H1395001000 Wellcare Dual Access Open (PPO D-SNP) - FBDE, QMB, QMB+, SLMB+**

Refer to "Medicare Savings Program (MSP) Levels" section below for a description of all MSP levels. Premiums, copayments, coinsurance, and deductibles may vary based on your Nebraska Medicaid eligibility category and/or the level of "Extra Help" you receive.

**Dual Eligible Special Needs Plans (DSNPs)** are specialized Medicare Advantage plans that provide healthcare benefits for beneficiaries that have both Medicare and Medicaid coverage. Medicaid beneficiaries must meet certain income and resource requirements. Eligibility and scope of benefits offered are determined by the state where the plan is offered.

You must also be enrolled in the Nebraska Medicaid plan. Your Part B premium is paid by the State of Nebraska for full-dual enrollees. Please contact the plan for further details.

## Understanding Dual Eligibility

Medicaid is a joint federal and state government program that helps with medical costs for certain people with limited incomes and resources. Medicaid benefits are valuable because the state provides additional healthcare coverage and financial support based on your Medicare Savings Program (MSP) level. Medicaid coverage varies depending on the state and the type of Medicaid you have. What you pay for covered services may depend on your level of Medicaid eligibility. Some people with Medicaid get help paying for their Medicare premiums and other costs. Other people may also get coverage for additional services and drugs that are covered under Medicaid but not by Medicare.

## Medicare Savings Program (MSP) Levels

- **Full-Benefit Dual Eligible (FBDE):** Medicaid may pay for your Medicare Part A & B premiums, deductibles, coinsurances, and copayments. Eligible beneficiaries also receive full Medicaid benefits.
- **Qualified Medicare Beneficiary (QMB):** Medicaid will pay for your Medicare Part A & B premiums, deductibles, coinsurances, and copayments. (Some people with QMB are also eligible for full Medicaid benefits (QMB+)).

- ***Specified Low-Income Medicare Beneficiary (SLMB)***: Medicaid will absorb the cost of your Medicare Part B Premiums. Some people with SLMB are also eligible for full Medicaid benefits (SLMB+).
- ***Qualified Individual (QI)***: Medicaid will pay costs associated with Medicare Part B.
- ***Qualified Disabled Working Individual (QDWI)***: Medicaid will pay costs associated with Medicare Part A.

Note: Some MSP levels automatically qualify for “Extra Help” for Medicare prescription drug coverage assistance. Some states do not cover Parts A & B cost sharing.

### **What is “Extra Help?”**

A Low Income Subsidy (LIS), also referred to as “Extra Help,” may be available to help you with Part D out-of-pocket expenses such as premiums, deductibles, coinsurance, or copayments. Many people qualify for the “Extra Help” Program and don’t even know it. Keep in mind that assistance may also depend on your Medicare Savings Program (MSP) level and your dual eligible status.

If you have questions about your Medicaid eligibility and what benefits you are entitled to, call the number listed on the back cover of this document.

There are services that are not covered by our plan but are available through Nebraska Medicaid. Refer to the Summary of Medicaid-Covered Benefits section later in this document for more information.

## Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service representative at 1-800-225-8017 (TTY: 711). Hours are Monday - Sunday, 8 am - 8 pm (all time zones).

### Understanding the Benefits

- ❑ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit [www.wellcare.com/ne](http://www.wellcare.com/ne) or call 1-800-225-8017 (TTY: 711) to view a copy of the EOC. Hours are Monday - Sunday, 8 am - 8 pm (all time zones).
- ❑ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ❑ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ❑ Review the formulary to make sure your drugs are covered.

### Understanding Important Rules

- ❑ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ❑ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2026.
- ❑ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use. If you have a Marketplace plan, you will need to contact the Marketplace to cancel the plan. If you do not cancel your Marketplace plan, you may be paying for coverage you cannot use and there may be penalties on your next year's tax return.
- ❑ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.
- ❑ This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.

Wellcare is the Medicare brand for Centene Corporation, an HMO, PPO, PFFS, PDP plan with a Medicare contract and is an approved Part D Sponsor. Our D-SNP plans have a contract with the state Medicaid program. Enrollment in our plans depends on contract renewal.

Wellcare's pharmacy network includes limited lower-cost, preferred pharmacies in rural areas of Nebraska. The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including whether there are any lower-cost preferred pharmacies in your area, please call 1-844-796-6811 (TTY: 711) for Wellcare Dual Liberty (HMO-POS D-SNP) and Wellcare Dual Access Open (PPO D-SNP) or 1-800-977-7522 (TTY: 711) for Wellcare Giveback (HMO-POS), Wellcare Simple Open (PPO), and Wellcare Assist Open (PPO) or consult the online pharmacy directory at [www.wellcare.com/NE](http://www.wellcare.com/NE).

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our Customer Service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
